January 23-24

**Edwin Crozier**  
Will present five  
lectures designed to  
assist us in our battle  
with sin.

**Winning the battle with  
sin will not be easy.**

- It is a challenge every one of us faces.
- Our love for God may be our best hope!
- We must decide what is required / necessary.
- Focus on true values and set priorities.
- Be willing to pay the price for victory.

**Make your plans to hear  
these useful lessons!**
